

COMPASS CROSSWORD

ACROSS

- 4 If you want to get this, you'll need to get "in line"
- 5 A bearing of 270 degrees
- 9 Flashlights make us glow with excitement
- 10 I can spin freely, but after I'm done, I always look in the same direction

DOWN

- 1 I can help you count to 360, but if you try to go any higher, I'll just keep you going in circles.
- 2 You'll usually just find me somewhere hanging around
- 3 The scale that keeps you on track, when the earth gets shifty
- 6 "Direction of Travel" and "Orienting"
- 7 Despite being completely full, you can still see through me
- 8 I have no kingdom reign, but I make a great guide
